### **Registered Representative of a Broker-Dealer**

Peter David Soliman is a registered representative of LPL Financial (“LPL”), an SEC registered broker-dealer and member of FINRA. In this capacity, Peter David Soliman may provide securities brokerage services and implement securities transactions under a commission based arrangement. Peter David Soliman may be entitled to a portion of the brokerage commissions paid to LPL, as well as a share of any ongoing distribution or service (“trail”) fees from the sale of mutual funds.

A conflict of interest exists to the extent that Peter David Soliman recommends the purchase of securities where he receives commissions or other additional compensation as a result. This practice may give him an incentive to recommend investment products based on compensation received rather than on the client’s needs. SLC has procedures in place to ensure that all recommendations are made in the best interests of clients regardless of any additional compensation earned. For certain accounts covered by ERISA (and such others that the firm deems appropriate), SLC provides investment advisory services on a fee offset basis, whereby the firm reduces its fee by an amount equal to the aggregate commissions and 12b-1 fees earned by Peter David Soliman in his individual capacity as a registered representative of LPL.

### **Licensed Insurance Agent**

Peter David Soliman is a licensed insurance agent and in such capacity may recommend, on a fully-disclosed commission basis, the purchase of certain insurance products. A conflict of interest exists to the extent that SLC recommends the purchase of insurance products where Peter David Soliman receives insurance commissions or other additional compensation. SLC seeks to ensure that all recommendations are made in the best interests of clients regardless of any additional compensation earned.

## **Item 5. Additional Compensation**

SLC is required to disclose information regarding any arrangement under which Peter David Soliman receives an economic benefit from someone other than a client for providing investment advisory services. SLC has no information to disclose in relation to this Item.

## **Item 6. Supervision**

While Peter David Soliman is the Chief Compliance Officer and President of the firm and generally responsible for his own supervision, John D. Bordelon periodically reviews his advisory activities on behalf of SLC. Peter David Soliman seeks to ensure that investments are suitable for his individual clients and consistent with their individual needs, goals, objectives and risk tolerance, as well as any restrictions requested by SLC’s clients.
